

OSVB Security Camera Grant Program

Program Goals

To Assist OSVB Members to protect their property, staff, and customers and to reduce Vandalism, Graffiti, Shoplifting and to increase safety in general in the Old St. Vital Business Improvement Zone.

How it Works

Grants are available to OSVB members only. Grants cover 50% of the cost of purchasing and installing Security Cameras to a maximum of \$1000.00 before tax. The BIZ has budgeted \$50,000.00 for this program in 2019.

How to Apply

Complete the attached application for and return to the BIZ office for consideration. Your application will include a quote showing camera type and specifications from a contractor/supplier of your choice. Applications will be considered on a first come first served basis.

Approval Process

Your application will be reviewed by OSVB and approval sent out within 14 business days. Installations done prior to approval will not be eligible.

Reimbursement

The program works on a reimbursement basis. Upon completion, you submit a copy of your invoice along with "proof of payment". Upon receipt, your payment will be issued within days. The BIZ reserves the right to inspect your installation prior to reimbursement.

The Fine Print

Not all applications will be approved. Missing information, missing quotes or incorrect information will determine the outcome of your application. If all information is complete, approval will be based on how well your project fits the program goals and available funds at the time of application. Applicants will agree to the Terms and Conditions of the program and will enter into an Agreement with the BIZ prior to commencement of work.

Questions

If you have any questions about the program, please contact the BIZ office at 6-553 St. Mary's Rd or by calling 204-504-9535 or by email at info@oldstvitalbiz.com
